Notes:

1. Intensive English Class includes General English and IELTS Preparation Course
2. Activities are not mandatory; however, Aspiring Language Institute encourages students to participate; some activities may require participants to pay a fee
3. Free classes are an excellent way to improve that specific skill you feel is your weakest point. We will advise you which one can be the best option for your English learning process; classes change time to time so please contact us for further details, options include: Guided Individual Learning, Speaking & Listening, Writing, Grammar, among others.
4. This information may be subject to change; for further details please contact us at study-at@aspiring.ac.nz
